

## **Fire Inquest.**

On Friday morning last, Coroner Allen, with a Jury, held an inquiry into the causes of the late fire. About a dozen witnesses were examined, after which the jury returned the following verdict:

"We, the Jury empannelled to inquire into the causes or origin of the fire that occurred in this village on the night of the 24th inst., having heard the testimony brought before us, are of the opinion that such fire originated through accident, whose cause is unknown to this Jury.

"A. S. WARBURTON, Foreman."

No evidence was adduced to show that there was either a candle or lamp in the stable on the evening in question.
