

NOTICE TO FLOOD AREA RESIDENTS WARNING

1. **HOMES:** No flooded homes are to be occupied until they have been disinfected by the health inspector. A disinfection crew will be available. Please report to the Town Hall or Health Unit for advice.
2. **WATER:** All water should be boiled ten minutes until further notice.
3. **VEGETABLES:** No fresh vegetables or other unsealed food that have been in contact with flood waters should be eaten. All such food should be discarded.
4. **SEWAGE:** Be sure septic tanks are in operating condition before using. If unable to use septic tanks, use covered receptacles. A simple pit privy toilet is recommended.
5. **LITTER AND GARBAGE:** Debris from the clean-up should be buried at least 50 feet from the well.

R. M. KING, M.D., D.P.H.,

Director and Medical Officer of Health.

YORK COUNTY HEALTH UNIT
