Notice To Owners Of Dishes At Town Hall

All who have sent pots, pans and dishes to the town hall with food are requested to call at the town hall as soon as possible and pick up their belongings.

Workers can't look after the quantity of containers that is accumulating and you will help them by attending to this matter promptly.

Advice To Owners Of Submerged Motors

One of our local garage men has suggested that owners of all motor vehicles and motorized equipment, which has been submerged in water, heed the following advice:

"Do not turn over motors until magnetos and ignition system have been thoroughly dried out.
