An open house to celebrate Sir William Osler Public School's 50th anniversary will take place May 13 from 5 to 8 p.m.

COMMUNITY: Anniversary open house

Osler School celebrates 50 years

Local residents and people who have moved away from Bradford West Gwillimbury can relive memories of their school days at Sir William Osler Public School's 50th anniversary open house.

The event takes place May 13 from 5 to 8 p.m. and organizers are looking for help in evoking memories.

Anyone who has pictures from when they attended the school is asked to e-mail them to swopublicschool@gmail.com in .jpg format.

To help spread the word about the event, organizers set up a Facebook page. Just login

to Facebook, search "Sir William Osler Public School" and "Like" the page.

During the event, the school will be open so attendees can tour around and view photographs displayed in the classrooms.

The contents of the time capsule from when the school opened 50 years ago will be on display.

Food and drinks will be available for purchase, including popcorn being sold by the current Grade 7/8 class to raise money for its year-end trip to Ottawa. That class is also preparing a slideshow to run during the event.

Everyone is welcome to attend the open house and no RSVP is required.
