Sesquicentennial Logo Winner announced

Plans for Bradford's 150th Anniversary are well underway.

On Tuesday night, in a meeting of Bradford West Gwillimbury Council, Manager of Recreation Nick Warman announced the winner of the Sesquicentennial Logo Contest. Local resident Chris Muncey was presented with a certificate of congratulations, a \$100 Gift Certificate for recreation programs, and a copy of the logo, which will appear on all official Sesquicentennial letterhead and proclamations.

Coming up: the launch of over a year of celebration begins May 27th at 3 p.m., with greetings from the Province, a declaration by

the Mayor, Birthday cake, raising of the Sesquicentennial Flag, and a tongue-in-cheek skit by the BDHS Drama Club, re-enacting the incorporation of the Town.

And organizers are already looking for participants for a Sesquicentennial Parade, to take place on the afternoon of August 19th, following the same route as the Santa Claus Parade. The theme: *Bradford Through the Ages*.

Anyone with antique farm equipment, classic or antique cars; representatives of Minor League sports, and hockey alumni of Bradford's historic teams (The Blues, Vasey Jrs., etc.); choirs and bands – in fact, any community group,

business or organization is invited to participate in this historic event.

The Town is looking for nominations for Parade Marshal. Residents nominate anyone – a local celebrity, sports volunteer, Minister, educator, or former Mayor – for the honorary position. There will also be a contest for Junior Marshal, details to be announced.

Parade application forms are now in the works, and should be available shortly. For more information, to get involved as a Sesquicentennial volunteer or committee member, or to register an official event, contact Joe Lotto at the Recreation Dept., 905-775-5359.
