# Lutherans Begin Worship In Barrie

---

The same Lutheran Synod which is sponsoring Trinity Lutheran Church of Bradford is beginning a new mission in Barrie this coming Sunday.

The initial service is scheduled for this Sunday morning at 11:00 a.m. The place for this service is Codrington School auditorium. The preacher will be Mr. Milan Babel, who will serve the Barrie area as student pastor. The officiant will be Pastor Andrew Brondos of Bradford.

The Bradford Lutherans will journey to Barrie to join in this worship service. They will form an auto cavalcade at their church and drive to Barrie together.

The decision to begin a Lutheran congregation in Barrie came as a result of a Lutheran rally held there in February of this year. At that service about twenty Lutheran families were represented. Since then contacts have been made with several more families.
