

Died Suddenly.

Mr. Elder Boddy who had been in declining health for some months died quite suddenly and unexpectedly on Monday morning. He retired a little later than usual but apparently no less enfeebled and gave assurance to his brother with whom he was stopping, that he was feeling fairly well. During the night he was seized with a hemorrhage of the lungs and from the position and condition in which he was found in bed the next morning, must have died while the hemorrhage was on. It was a terrible shock to his sister, Miss Laura Boddy, who on entering his room with his breakfast, thus found him. The citizens were also shocked on hearing the news, and deeply sympathize with the bereaved ones. Deceased had a large circle of friends and was much respected. The funeral took place yesterday afternoon from the residence of his brother, Mr. J. S. Boddy, to Mt. Pleasant cemetery, and was conducted by the Brethren of the Masonic Order.
