To Mr and Mrs George Atkins.  
Dear <sup>our</sup> Friends,

It is with  
sorrow that we learn of your early  
removal from our midst, where you  
have so happily resided for so many  
years.

We now desire to express to both of you  
our high appreciation of your  
character and friendship.

You will long be remembered by  
the Church, and also by the  
community in which you have  
lived, and your many kind and  
helpful acts, will not soon be  
forgotten.

In the Church, you have been  
earnest and devoted, and in  
many ways, have tried to advance  
the interests of Christ's Kingdom.  
As neighbors, you have been  
most obliging, ever manifesting  
a readiness to help in all times  
of need.

We gladly take the present opportunity  
of expressing to you, in some tangible  
form, our high estimate of your many  
kind and good qualities, and our united  
appreciation of your many acts  
of kindness.

Therefore, on this the eve of your  
departure, we have, assembled, to bid

you of your many friends in  
Accumeth.

In conclusion permit us to say  
that while we regret your leaving  
and shall miss you in many  
respects, yet, we sincerely pray  
that the blessing of God may in  
a very special manner rest upon  
you and your little family in your  
new home.

Trusting that you may have many  
prosperous and happy years together,  
and that at last we may all  
meet in the City of our God above,  
where parting is put upon  
signed on behalf of the church  
and neighborhood
