# **P.O. Bill (Sonnie) Walker Is Awarded The D.F.C.**

---

Word was received last week by Mr. Arnold Walker, of Blubber Bay, B.C., formerly of Bradford, that his only son, William, has been awarded the Distinguished Flying Cross for dropping blood plasma to the Partisan troops of General Tito's Yugoslavian Army, thereby saving the lives of several of his soldiers.

"Sonnie," as he is best known to his many Bradford friends, was interned for a time in Tangiers, escaping to Gibraltar, and he has piloted bombers over Germany, Africa and Italy.

He has completed his operational flights and is now on his way home for a well earned leave.
