

Third Generation Takes Over Local Mail Route

On Monday, July 2, the third generation of Melbourne will start out as mail man on R.R. 1, Bradford.

When Mr. Charles Melbourne retired a few years ago, his son, William C. obligingly carried on the duties. However, he has found it a pretty arduous task along with running a farm, therefore next week he will relinquish the post which will be taken over by his son, Carl.

The third generation's appointment begins the first mail delivery in July.
