

Bradford High thanks Women's Institute for tree

By CAROL SIMONE

The Bradford Women's Institute has received a thank-you note from Bradford District High School for the mountain ash the institute donated for the school's Arbor Day project.

"The women chose a mountain ash because it also provides berries for feeding wild birds in the area.

The women discussed their upcoming trip to Toronto to see a musical at the Royal Alexandra Theatre, and Mrs. H. Sleen and Mrs. S. Klop volunteered to work on the York County hospital cart for the next while.

Guest speaker for the meeting was district president Mrs. Paul Tipping who told the group how women's

rights have changed over the past years.

The next meeting will feature a pot luck lunch at the home of Shirley Carter. New members are always welcomed and this will be at 1 p.m. on June 20 at Apartment 108, 200 Holland Court. The topic will be educational and cultural.
